

Patent and Trademark Office had suspended prosecution. Of note, the Office Action Summary included with the November 3, 2006 Office Action indicates that Claim 31 is currently being prosecuted. Applicants believe that this is incorrect and respectfully request the Examiner to acknowledge that Claim 31 had been previously withdrawn as part of the group of non-elected claims. It is believed that it is Claim 32 that should have been shown on the Office Action Summary as currently being prosecuted (as so shown on pages 3 and 4 of the Office Action).
